First day of school

Me and Spider

My first tunnel!

The family vacation—
on Compost Island

MARCH 20

Mom says there are three things
I should always remember:

1. The earth gives us everything
we need.

2. When we dig tunnels, we help take care of the earth.

Must make tunnel—
help Earth breathe!

3. Never bother Daddy when he's eating the newspaper.

CHOMP

MARCH 29

Today I tried to teach
Spider how to dig.

First all of his legs got stuck.

Then he swallowed a bunch of dirt.

Tomorrow he's going to teach me how to walk upside down.

MARCH 30

Worms cannot walk upside down.

APRIL 4

Fishing season started today.
We all dug deeper.

Did you
guys hear
something?

ZZZZZ

APRIL 10

It rained all night and the ground was soaked. We spent the entire day on the sidewalk.

Hopscotch is a very dangerous game.

APRIL 15

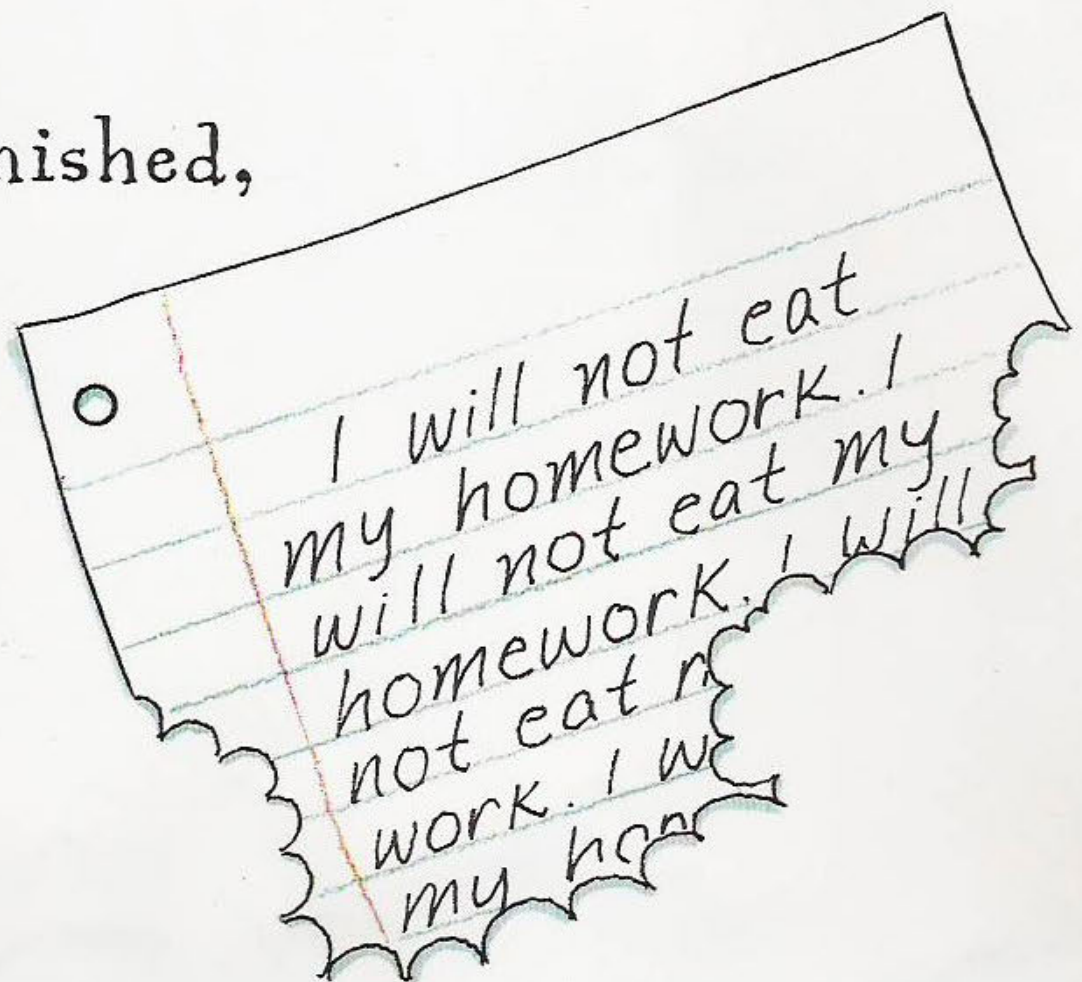

I forgot my lunch today.
I got so hungry that I ate
my homework.

My teacher made me
write "I will not eat my
homework" ten times.

When I was finished,
I ate that, too.

APRIL 20

I snuck up on some kids in the park today. They didn't hear me coming.

I wiggled up right between them and they SCREAMED.

I love when they do that.

MAY 1

Grandpa taught us that good manners are very important.

So today I said "good morning" to the first ant I saw.

There were 600
more of them in line.

Good morning. Good morning.
Good morning. How ya doin'?
Good morning. Nice to see you.
Howdy. Good morning . . .

I stood there all day.

MAY 8

Had the worst nightmare
last night—

giant birds playing hopscotch.

Mom says I have to stop eating so much garbage right before I go to bed.

MAY 15

I got into a fight with Spider today.
He told me you need legs to be cool.
Then he ran. I couldn't keep up.
Maybe he's right.

MAY 16

I made Spider laugh so hard,
he fell out of his tree.
Who needs legs?

MAY 28

Last night I went to the school dance.

You put your head in.

You put your head out.

You do the hokey pokey and
you turn yourself about.

That's all we could do.

JUNE 5

Today we made macaroni necklaces in art class.

I brought mine home and
we ate it for dinner.

You're very
talented.

JUNE 15

My older sister thinks she's so pretty. I told her that no matter how much time she spends looking in the mirror, her face will always look just like her rear end.

Spider thought that
was really funny.

Mom did not.

JULY 4

When I grow up, I want to be a Secret Service agent. Spider says I will have to be very careful because the president might step on me by mistake.

“It’s a dangerous job,”
I told him. “But someone’s
got to do it.”

JULY 28

Three things I don't like
about being a worm:

1. I can't chew gum.

2. I can't have a dog.

3. All that homework.

JULY 29

Three good things about being a worm:

1. I never have to go to the dentist.

2. I never get in trouble for tracking mud through the house.

3. I never have to take a bath.

Who's my grubby little boy?

AUGUST 1

It's not always easy being a worm.
We're very small, and sometimes
people forget that we're even here.

But, like Mom always says, the
earth never forgets we're here.
