

Dinosaurs, Dinosaurs

Byron Barton

A long time ago

there were dinosaurs.

There were dinosaurs with horns

and dinosaurs with spikes.

There were dinosaurs with clubs

on their tails

and dinosaurs with armored plates.

There were

dinosaurs with sails on their backs.

There were dinosaurs with long

sharp claws and long sharp teeth

and dinosaurs
with long, long necks
and long, long tails.

There were big dinosaurs

and small dinosaurs.

There were fierce dinosaurs

and scared dinosaurs.

There were hungry dinosaurs

and very tired and

very, very sleepy dinosaurs.

Dinosaurs, dinosaurs, a long time ago.
