

# GOD IS EVERYWHERE

Discovering God's Love  
In the World

God Is Everywhere

If you've ever wondered  
where God lives . . .

If sometimes he seems far away  
in his house in heaven,  
look around you . . .

*God is everywhere.*

*You see his face*

*in a woodland flower.*

*You feel his touch  
in the gentle rain.*

*You hear his voice  
in the murmuring winds.*

*Even in small secret places,  
he is always near.*

His miracles are as small  
as a snowflake . . .

and as great as  
a sky full of stars.

*God brings the spirit of joy  
to your home . . .*

and the spirit of peace  
and thanksgiving  
where you worship.

When you speak to God,  
He guides you.

He is your strength  
when things don't go right . . .

*And your comfort  
when you are  
lonely or sad.*

*When you are kind and thoughtful,  
you are helping to do God's work . . .*

and in return  
He sends you the gift  
of happiness.

God is in every one of us.  
He is in our friends who like us  
just the way we are.

He is in our parents who help us  
grow up and love us always.

God is in those  
who think and act as we do . . .

*God is love, and he lives  
everywhere there is love.*

*Most of all, God lives in your heart.*

*God Is Everywhere*
