

Like a Windy Day - FRANK ASCH & DEVIN ASCH

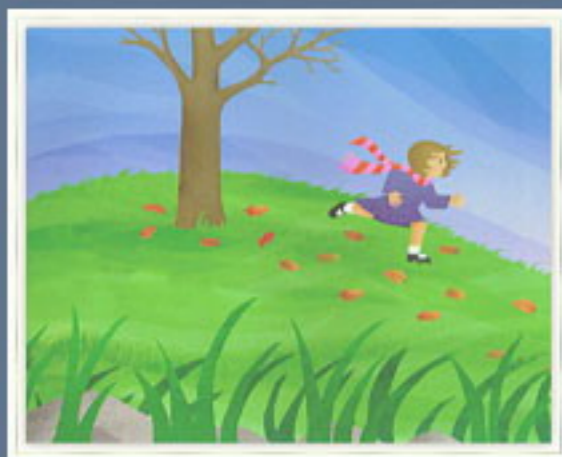

cover

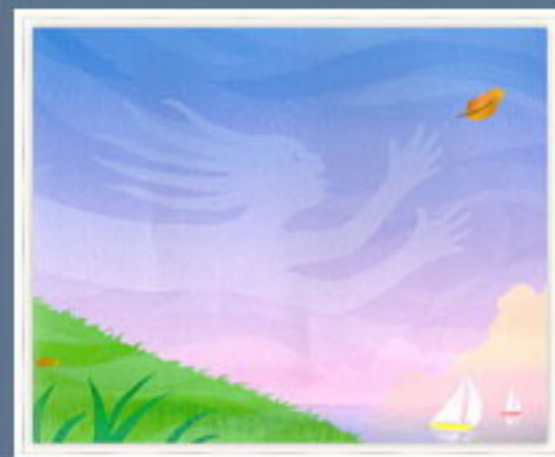

frontis

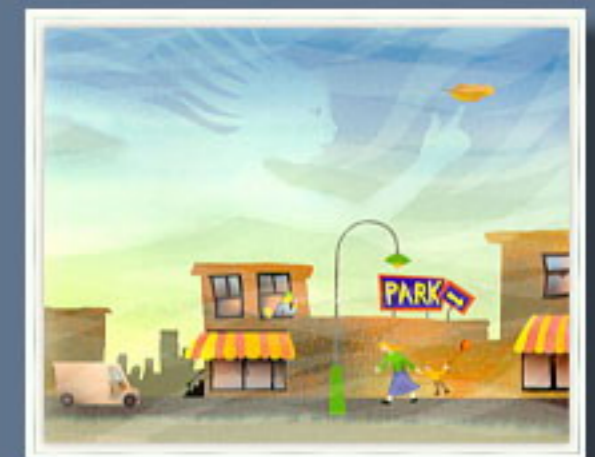

play like a windy day

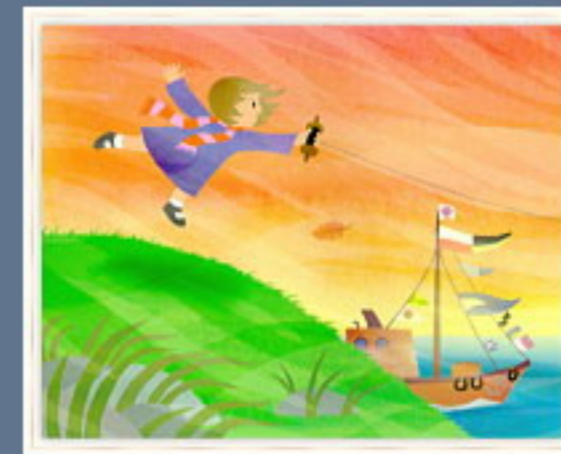

zoom down hillsides

race through streets

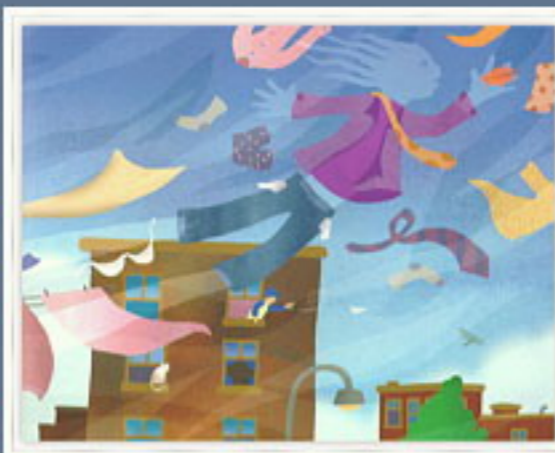

scatter seeds, turn windmills

fly kites, wave flags

snap wet sheets

lift birds and butterflies in the sky

Like a Windy Day - FRANK ASCH & DEVIN ASCH

I want to steal hats

drive clouds and rain, sail boats

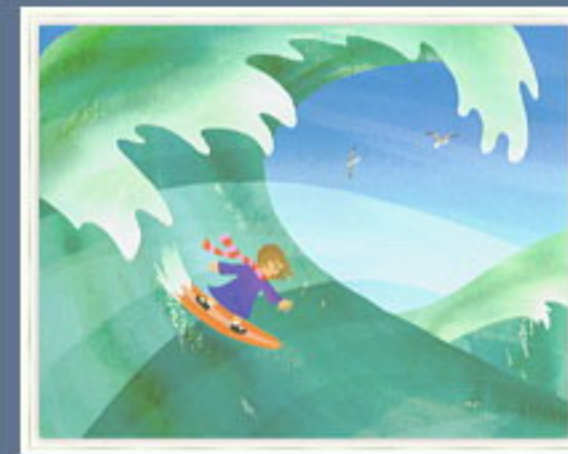

make umbrellas fly!

shake dew from a spider's web and help her babies soar

blow through green grasses

crash big blue waves on the shore

fly with the leaves from the trees

until I become a gentle breeze
