Strawberry Shortcake

Smiles
make
any day
better

Spend time
with
someone
berry special

Isn't life delicious?!

Kindness
helps friendships
grow

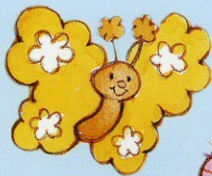

A happy
face
makes
the world
a nicer
place

A little sweetness
goes a berry
long way

Be the sunshine in someone's day

Everything fun begins with friends

The brightest days
begin with
happy hearts

Start a smile-
say "Hi!"

Friends
together
make good times
even better!

Have a
berry merry
holiday!
