It doesn't really matter

Whether skies are blue or gray,  
For it's the sunshine in your heart  
That makes a Daisy Day.

If you should have a secret dream  
That's very dear to you,  
A Daisy Day is all it takes  
To make that dream come true.

On Daisy Days you take the time  
To notice so much more,  
To see the little treasures  
That you've overlooked before.

With a fresh-as-a-daisy feeling  
In your heart, you're sure to find  
That any day at all can be  
The bright, rewarding kind.

On Daisy Days your plans work out  
Just like you hoped they would—  
And sometimes even better  
Than you ever thought they could!

When there's a special project  
You've been wanting to begin,  
A Daisy Day's the perfect time  
For you to start right in.

Anytime you're bothered  
By a problem or a worry,  
A Daisy Day can help you  
To forget it in a hurry.

It's as easy as can be to take  
A Daisy Day vacation,  
For you can travel anywhere  
In your imagination.

Every time you think  
Of something kind to do or say,  
You can help somebody else  
Enjoy a Daisy Day.

When you spend a Daisy Day  
With somebody you love,  
The hours are filled with all  
The joys you're fondest of.
